

Sampled Companies in partial interim review of CV Duties on Cotton type Bed Linen from India into EU

The European Commission (EC), Brussels vide their letter dated 29-10-2007 informed the Council that they have received details from 82 companies making themselves known to EC in response to its Notice of initiation of partial interim review of CV Duties applicable to Cotton type Bed Linen from India into EU. In view of the large number of exporters the Commission's Services have decided to apply sampling in accordance with Article 27 of Council Regulation (EC) No. 2026/97.

According to the list of samples notified by the EC, while the EC has retained 10 samples (including 3 related companies) drawn in the initial proceedings, it has now added 4 new companies/exporters and 6 of their related companies to the list. Thus, the total 20 Sampled Companies would cover about 64% of the volume reported as exported to the EU during the sampling period. The list of Sampled Companies is as follows:-
