Notice

As you are aware, after the phase out of the quota regime w.e.f. December 31, 2004, Texprocil has stopped giving pre-shipment endorsement and issuance of Export Certificate/Certificate of Origin and Visas to quota countries for against exports of items under restraint categories. However, Texprocil continues to issue Certificate of Origin (Non-Preferential), against exports to Non-Quota countries and also to erstwhile quota countries i.e. Canada, European Union and U S A.

Council has been charging Rs. 80/- per set of 4 copies of certificate that are generated by Council and Rs. 50/- per set of 4 copies that are typed by the Exporters since 1st January 2005.

Due to increase in the cost of printing and stationery, it has been decided to increase marginally the charges from the existing Rs.80/- per set of 4 copies of certificate that are generated by Council to Rs.100/- and Rs. 50/- per set of 4 copies that are typed by the Exporters to Rs. 80 w.e.f 1st December 2007.

All concerned may please note.
